FUNDRAISER EVENT

# About

**Restore Dignity** is a non-profit healing ministry founded in the Diocese of Phoenix in 2014 by a small group of men and women who experienced the **Grief to Grace\*** retreat and felt called to bring this program to Arizona.

At the same time we realized there is a vast need for healing of the body and soul, we also became aware of the many beautiful resources that are often overlooked. This forged our desire to help people connect with these resources which lead to deep restoration.

We are immensely grateful for the enthusiastic support from *Bishop Emeritus Thomas J. Olmsted* to found this ministry, and for the outpouring of grace of the Holy Spirit that has lifted this ministry so that many may be healed.

\* **Grief to Grace** is a retreat program created by Dr. Theresa Burke, Ph.D, LCP, NCP, who is also the founder of Rachel's Vineyard Ministries for healing after abortion.

A photograph showing the silhouettes of four people standing on a grassy hill, embracing each other. The sun is low on the horizon behind them, creating a bright, hazy glow. The scene is peaceful and evokes a sense of community and healing.
